For the Father-of-the-Bride who just can't sing ***Butterfly Kisses*** without crying, we have a suggestion for you: Bring Bob Carlisle to her wedding to sing it for you.

If you and your daughter shared this wonderful song when she was younger, you undoubtedly imagined, as Bob Carlisle did when he wrote it, what that day might be like when your little girl gets married. Now the day has almost arrived and you want to give her a surprise gift that will remind her on this day of all the times you shared together.

Whether at the wedding reception during the father & daughter dance or at the wedding itself, Bob Carlisle sing his song "**Butterfly Kisses**" with the tenderness of a grateful father.
